## STI ESG inaugurates new campus in Lipa

**LIPA CITY, BATANGAS** – STI Education Services Group, Inc. (STI ESG) inaugurated its newest academic center, a prime hub of world-class education, located at CM Recto Avenue, Barangay 6, Lipa City on February 20, 2019.

STI ESG takes pride in the new STI Academic Center Lipa's state-of-the-art facilities housed in an eight-storey structure with roof deck that stands on a 3,222-square-meter property. With the aim to offer real life education, the new campus is equipped with simulation laboratories for hands-on learning, air-conditioned classrooms with flat screen TVs, a basketball court, multimedia centers, and student activity areas with internet connection among others.

"The successful completion of our campus in Lipa City reflects our commitment to continuously improve the delivery of quality education by highly investing in campus expansion to provide our students with a conducive and world-class learning environment," said STI ESG President and COO Peter K. Fernandez.

The STI Academic Center Lipa opened its doors to over a thousand senior high school and tertiary students in August 2018. The new building is designed to hold up to 6,000 students starting school year 2019-2020.

It will offer senior high school tracks as well as tertiary courses in Information & Communications Technology, Business & Management, Hospitality Management, Tourism Management, Engineering, and Arts & Sciences.

The inauguration of the PhP548 million STI Academic Center Lipa marks the latest addition to the growing number of STI Academic Centers in the country. These include campuses in Batangas, Las Piñas, Calamba, Cubao, Lucena, Caloocan, Ortigas-Cainta, Novaliches, Fairview, Naga, and Global City.

STI ESG ensures that world-class quality education is maintained through its industry-driven curriculum and employment oriented framework, apart from its campus expansion plan. With the growing demand for knowledgeable and skillful employees across various industries, STI ESG

primes its students by devising curricula and training programs that conform to the needs and demands of the ever-changing industry trends.

STI ESG further grooms its students for potential employment by utilizing its expansive network of affiliates in various industries. These partners prepare students for the workforce through internships, work immersion programs, trainings and workshops, licensure exam preparation, seminars, and other industry and business specific programs which provide avenues for the students to apply their knowledge and skills in the real world.
